# Tricone City, Indore

The **Signature** of a global lifestyle....

Actual site photograph

*“ Spend a lifetime .....  
..... In the lap of nature ”*

Tricone City, Indore is a residential township, sprawling over 150 acres of green area located on main Indore Khandwa road. The township has well planned parks, state-of-art amenities, open green spaces, jogging tracks and wide roads dotted with trees creating an environment of abundant greenery and a naturally unspoilt landscape.

## Location Advantage

- Tricone City is located in the upcoming educational belt of Indore on the Indore khandwa road (SH 27), accessible from all transportation hubs like airport, railway station and bus depots.
- Tricone City enjoys its status of being a privileged choice of address with IIT Indore being just 8 kms away from the site and major engineering colleges adjoining it.

## Personalised Living

Tricone City, Indore aims at creating a new “preferred address” for “you”. A self contained world where all your needs will be met on location. It’s an endeavour to address the needs of a wide spectrum of society by creating a township that offers a broad range of living options.

Soon to be launched “Tricone Homes” shall boast of the following :-

- Expandable plans to cater to varying demands.
- Well and effectively designed plans to meet the requirements of modern day living.
- Aesthetically pleasing external facade complimenting the local architecture.
- High quality construction and materials to match the best in the industry.
- Environment friendly infrastructure design.

## Project Development and Progress

- On completion of Infrastructure Development Works, Tricone City has started “offering possession” for plots in Block A.
- Tricone Homes, an exclusive range of intricately designed expandable villas is being launched soon.
